General L. L. Lemnitzer
Chairman
The Joint Chiefs of Staff
Department of Defense
Washington 25, D. C.

Dear General Lemnitzer:

The Chief of our Division here who handles
[redacted] affairs has just come back from an
inspection trip which included a visit to [redacted]

He tells me that the solution in the field
of intelligence coordination in [redacted] which you
and I discussed last summer, has worked out most
satisfactorily. This is in great part due to the
cooperation and skill which General Osborne has
shown as Chairman of the ICCB.

I thought you might like to know this.

Sincerely,
